

MARCH 2017 INNEC NEWSLETTER

Our Newhalen 3rd/4th Graders will be Battle of the Bookers!! They won the District Battle and will battle tomorrow in the State Competition. If you see them, be sure to wish them luck!

It was announced that four of our middle school students won 1st place in the team competition of the rural division for the Math Counts contest and have qualified to go to the State Competition in Juneau. Aileen won 2nd place in the individual contest. Congratulations to all! Keep up the good work!

Bread Basket Winner

June Tracey!

Members with ampy meters be sure to plan ahead of time!

INNEC HOURS Monday -
Friday 8 am - 5 pm

On February 13 the INNEC Board of Directors held a public meeting in Nondalton at the community center. This was a regular meeting but the big topic of discussion was the upcoming rate hike which will happen on June 1, 2017.

The meeting was very well attended and a lot of good questions were asked. I would like to thank Nondalton Tribal for allowing us to use the community center and thanks to the entire community of Nondalton for welcoming us and attending the meeting.

Starting with the March billing (bills received in April) everyone will notice on their bills or statements if you have an Ampy meter that we have removed the Fuel Surcharge and rolled it into the regular cost of electricity. The regular cost has been 40 cents a kWh up to 400 kWh of usage and 37 cents after that. You will now see 52 cents and 49 cents. The cost of power HAS NOT gone up yet. We just removed the fuel surcharge from one spot and inserted it into another spot. If anyone has any questions, please call the office and talk to George or Nikki and we will explain it to you.

The days are long and the sun is warm so I'm sure everyone is outside as long as possible every day.
